

Advanced Business Web Page Design Test - Teacher Helps

1. Use the Vocabulary list provided on the CTE site.
2. You will need a digital picture of each student for the CTE Exam.
3. You will need to submit the CTE Exam for all of your students on one CD. Please make sure you label the CD with your name and your high school.
4. For the Exam use the online test example (coming soon) and the written example that comes with the test.
5. Your students need to know how to create rollover buttons using a graphics program like Fireworks.
6. Your students need to know how to change the opacity of a graphic to create a watermark.
